 	<p>Only one document is chosen in a subdirectory.</p>
	<p>Getting the working copy with "OK"</p>
 	<p>Repeating "Choose items" will show a one level tree. Now the checkbox for M1001700 is recursive, no matter what selection was saved before in a sparse checkout.</p>
 	<p>A click on OK and later "Choose items" will show the result.</p>
